

Welcome to the 2011-2012 Membership Year

September marks the beginning of the 2011-2012 COA membership which runs from September through May. Please take the time now to fill out the attached membership form and mail it in or bring it with you to the next meeting. Dues for this year are \$25.00 for an individual membership and \$40.00 for an organization membership. This year promises to be another exciting year for Council on Aging with a great line up of informative and interesting programs and guests. Anyone who may have paid their membership dues at the end of the last membership year will have those credited towards 2011-2012. If you're not sure whether you fall into this category please contact any board member and we'll look into it for you.

We will be updating our e-mail and newsletter list from the forms we receive so be sure you're not left out.
